## WE NOMINATE

Stanley Edwin Howard, one of the country's leading authorities when it comes to problems of basic accounting and corporate organization and finance, whose retirement this month from the Princeton University Faculty was overshadowed by the induction of Robert Francis Goheen as the University's 16th President. A fixture on Nassau Hall's teaching staff for a near-record 39 years, the 68-year old economist in the year ahead will establish an unusual precedent. As an officially retired member of the Faculty he will continue to act as Clerk (or "parliamentarian") of the Faculty, a post he has held since 1949 and a position heretofore conferred upon a man serving with the active Faculty, the "senate" that in the last analysis controls the destinies of the University.

Over the years Howard, a Canadian-born American citizen and the son of a founding professor of the American International College, Springfield, Mass., has given his first attention to the evolution of those economic conditions and public policies that help explain the "heavily corporate character of the capitalistic economies of the present-day Western World." He has also been concerned with the development of government policies of intervention (or non-intervention) in matters of corporation finance and has patterned remarkable courses in accounting which deal with the subject not in the vocational or professional sense but as one fundamental to a mature understanding of the economic worries now confronting business and government.

Like so many outstanding teacher-scholars on the university level, Howard, the second incumbent of

the endowed Green Professorship of Economics, "broke in" in a secondary school, teaching Latin, Greek and public speaking at the nearby Pennington School following his graduation from Bates College, Lewiston, Maine, with the Class of 1910. He took his advanced degrees at Princeton in 1913 and 1916, held forth as an instructor here as well as at Mount Holyoke and Dartmouth Colleges and in 1918 became a permanent member of the Department of Economics and Sociology, which he was to head from 1934 until 1949, the longest tenure of any departmental chairman in the history of that department. During World War I he was a Special Expert with the U.S. Shipping Board.

Howard, a member of a half-dozen different scholarly organizations and active for a quarter-century as an Alumni Trustee, Overseer and Fellow of Bates College, gained a national reputation in educational circles as the author of a slim textbook, *The A B C of Accounting*, initially published by the University Press in 1929 and now approaching its sixth edition. Especially designed for students in a liberal arts university (as contrasted with a vocationally oriented institution), this volume has helped thousands upon thousands of successful college men and women acquire a working-knowledge of the basic concepts and procedures of the exact and often exasperating "science of techniques."

For his contributions down through the decades as a teacher and as a citizen of Princeton; for demonstrating that no one can teach effectively unless he happens "to love his task"; for constantly seeking to strengthen the things he believes in; he is *TOWN TOPICS'* nominee for

## This Is PRINCETON

\* STARTS IN AUGUST

Avalon Coming Down Now. A major community story is finally approaching its climax, for the joint YM-YWCA is on the brink of setting a groundbreaking date for Princeton's newest building.

Through Dr. Elmer W. Engstrom, the board made sketches available (see Page 3) of the handsome structure which will be erected at the corner of Bayard Lane and "Avalon Place." Dr.

Engstrom said that the start of construction will be in August. What made the announcement even more interesting was the fact that the two and a half years which have passed since the start of the fund raising drive, was the sight on Monday of equipment ripping into historic old Avalon. (See Page 2.)

Dr. Engstrom at his press conference declined to make all the details public, but said that one of the three low bidders for the building contract are restudying their figures at the moment. Certain minor changes and some alterations have been required by the Borough Planning Board or by the national Planning Board of YMCA's.

However, by week's end the name of the successful contractor should be known, and Dr. Engstrom promised full account of the joint board.

Approximately \$150,000 was netted from the 1955 fund-raising campaign, well short of the goal. Additional funds have since been raised and a public statement on needs and funds will be forthcoming.

In any case, sufficient capital is on hand to start the building.

The "so-called" swimming, heating plant and the shell of the "pool and locker room unit," it is obviously hoped that more gifts can be raised when it becomes clear that the YM-YW is really near completion.

The contract now being drawn up will not include the filter

plant, finishing off the pool the interior, showers, etc. But it is hoped that while work is in progress (completion is planned in about a year), additional contracts can be let.

As for Avalon Dr. Engstrom reported that the successful bidder for the job was Loar & Co. of Hopewell, at terms very favorable to the YMCA. The amount bid was \$2500 less than the equipment cost. Action Monday was taken as the Borough permit was obtained. The firm has 10 days in which to knock down the historic old mansion.

### NIGHT METERS OPPOSED

Merchants Against Plan. The officers and directors of the Princeton Business Association, who have convened to consider the problems confronting the Nassau-Witherspoon District and related areas have found that the majority of the Association's 90-plus members oppose the operation of parking meters on Friday evenings as well as to stringent enforcement on the afternoons of Saturday's amateur football games.

Preliminary surveys, presented at a recent breakfast meeting at Remick's, by President Loar Quickie, showed that 67 are not in favor of enforcement of parking restrictions on Friday evenings and that 72 are not interested in "tightening up" control of metered parking on Saturday afternoons.

Other actions of the officers

and directors of the Associations:

- Strong approval of the objectives and operations of the Community Fund, including contribution in areas-wide promotion of the drive and possible sponsorship of a guessing contest as to the amount that might eventually be received in the all-out fund campaign.
- Expression of appreciation to all Nassau-Witherspoon merchants for their assistance in making the "Clean" May and Control action on complaints received in Hopewell Hill, had previously enlisted the Association's support in making the Business District "as attractive as possible."

### MAYOR STURGES STRICKEN

Suffers Severe Heart Attack. Mayor P. Mackay Sturges suffered a heart attack at his Shelter Island residence after flying there last week. He is now in Eastern Long Island Hospital, Greenport.

Authorities at the hospital said yesterday that he continues to make satisfactory progress but is still on the critical list and in an oxygen tent.

The Mayor, who is 61, had landed his private plane only an hour before the attack, having flown from Princeton Airport. For years he has used his plane to commute to the summer meetings of the Board of Education.

He is expected to remain in the hospital for at least four weeks and will therefore miss a council meeting for the first time in eight years. Other officials of the mayor's office, present at 102 formal Council sessions and next month's enforced absence will break his record for the first time.

His home address is at 50 Westcott Road. The mayor announced in January as he started

### HAVE YOU BOUGHT GERIPLEX YET?

This summer is a particularly good time for those 35 and over to begin taking the well-known vitamin-mineral formula, GERIPLEX. Here's why:

1. In hot weather, it helps offset decreased vitamin intake resulting from lighter meals.
2. GERIPLEX also makes up for heavier than normal fluid loss, thus keeping the body's supply regular despite heat and humidity.
3. Now, and throughout the year, GERIPLEX is a valuable protection against some of the changes the body undergoes as we grow older.
4. GERIPLEX is made by Parke Davis, your guarantee of the best in pharmaceutical products.

Three months' supply only \$6.75

Less than 7 cents a day!

### This Is Princeton

Continued from Page 1

In the last half of his fourth term in office that he would not run again this November, Tristan B. Johnson, president of the Council will continue as acting mayor during his absence.

Oscar Wright Hospitalized. Another of Princeton's well known

residents, Oscar Wright, of 11 Prospect Street, was also stricken last week. "Oscar," as he is known to countless Princetonians and alumni, collapsed Friday afternoon in the Princeton Bank and Trust Company on Nassau Street.

He was taken by the First Aid unit to Princeton Hospital and "progressed well" in a five-day

stay. He was due to be discharged on Wednesday.

Oscar is 74 years old. In 1952, he "retired" after serving as steward of Prospect Street's Key and Club for many years.

#### PERSONALITIES

Robert Montgomery, 180 John Street, former Princeton High School baseball star who this week was signed by the New York Giants, The Princeton Prep Club athlete performed at a Giants tryout in Pennington, drew the approval of coach Willard Marshall of the Newark Bruins and will report late next winter to Danville in the Carolina League.

Orren Jack Turner, Princeton photographer for 30 years, who is shown here even in his 80s, died at a special retrospective exhibition this week and next in his 112 Nassau Street studios, but at the same time working on a second book of fiction, which proves his "retirement" is no ordinary one.

Ching-ting Chang, native of Nanjing, China, who has just won a Daniel and Florence Guggenheim Fellowship at Princeton in advanced study of jet propulsion, rocketry and aircraft structure. A resident here for the past year as the Wallace Memorial Scholarship holder at the James Forrestal Research Center, he received a B.S.E. degree in 1954 from National Taiwan University, China.

#### ROUND UP

St. Swithin's Day (which was Monday) was a lull in the way of suspending rain for the next 40 days ... No polio has been reported here as yet ... One of Princeton Nurseries' barns in Kingwood was heavily damaged by lightning and resultant fire Saturday night.

Football takes its place with baseball, golf and tennis in the sports pages of the 1957 this week, as the first of a series of four articles on Princeton's 1957 grid iron fortunes appears ... Township taxes are the subject of the Question of the Week and a Mailbox offering.

A call from 13½ Jackson Street brought police and firemen in to carry on Tuesday, but Chief Hollings reported that upon arrival they "couldn't find a fire" ... The Township Committee will hold a public meeting on Thursday at 8 p.m. to open bids on the \$5,950 Hillside Drive construction ... However, the Township Zoning Board doesn't meet this month and the Planning Board won't in August.

State Highway people were here on Monday to put up the Hamilton & Harrison stoplights

... but there were no poles broken at 177 Franklin Road about four hours after it was reported missing from Springfield Golf Club on Tuesday ... A decision was still to be made on whether it was more than an unfunny hoax.

Dr. Harold W. Dodds took on two additional posts within the week, promising that his "retirement" will be active. His 24 years in Nassau Hall will be followed by service as a director of the United States Trade Council and as chairman of a 30-man committee of U.S. and Canadian economic leaders formed to study mutual problems of the two nations.

## TOPICS Of the Town

### RAID TEST REVIEWED

**Public Highly Praised.** The general public was highly commended for its part in Friday's Operation Alert, 1957," but there was some question about the part played by the volunteer system for Civil Defense.

Col. Francis J. Darke Jr., director of Princeton Civil Defense, reported that the test was well received by the public.

Brig. Gen. Edward C. Russell Riker added: "The public acted exceptionally well and we had wonderful cooperation from the police, department and regular Borough forces."

Observers on Nassau Street reported that traffic was brought to a complete halt in just under four minutes after the raid alarm sounded. But the alarm failed to take complete cover, however.

Mr. Riker noted that the number of volunteers who appeared at Borough Hall in response to the early warning alarm "could be counted on your fingers."

Col. Darke said, however, "We didn't have an assigned problem on Friday afternoon for our radio equipment and I praised the handling of the emergency test, 'Operation Chow,' two days before. He termed the volunteers' part reasonably successful," but noted a particular shortage of block wagons.

Though there had been hints of an apparently active campaign to frustrate the proposed Claridge Reservoir, there were no reports of it on Friday. He declared that children were better in staying off the streets than in the previous rain.

### VICTORY CLAIMED

**Reservoir Opponents Optimistic.** Forty-eight hours after the last in the series of public hearings on the bills to create a reservoir in Stony Brook and in the other near-by areas, the Citizens Committee for a Sound Water Plan weighed the testimony presented and found itself well satisfied.

Alfred L. Test, committee chairman, commented: "There is no doubt in our minds that, on the basis of evidence submitted, the Indians and Jews were right in our favor." The committee, he declared, "feels that the overwhelming weight of the evidence supports their contention that the Stony Brook reservoir is feasible from an economic point of view or in water production."

More than 3,000 residents of this and surrounding towns signed petitions opposing the proposal to enhance the State's industrial and potable water supply by creating a 1,500-acre reservoir northwest of the center of town. Last week's hearing in Trenton was the last in a series that began in early June, following publication of the plan as submitted by the New Jersey Wa-

**THE BUILDING AT LAST:** Construction will start next month on the community's new joint YMCA-YWCA building. The left hand unit containing the big all-purpose room, club and craft rooms, offices, kitchen and snack bar etc. will be built complete. Further units will also provide for the "shell" of the other side, which will house eventually the full length (30' x 75') swimming pool, two-story locker room, and a large gymnasium plus a 400-foot playing field to the right. The street going the length of the building is the new Avalon Place, while Bayard Lane runs parallel to the right. Parking and the main entrances will be in the rear. The exterior will be of a rather soft colored red brick. The overall length of the building is 316 feet, but there will still be a 400-foot playing field to the right of the pool. The building is scheduled for completion by next summer.

ter Resources Advisory Committee.

Mr. Test's statement went on to point out that his committee was not much interested in operating the Stony Brook site in providing constructive suggestions for alternative proposals. The committee feels that this has achieved the purpose of its creation that the Raritan River basin be developed as a major source of supply through utilization of Round Valley, which the State already owns.

The committee also urged the development of underground water resources known to exist, pointing out that they may provide better water and save reservoir reserves." It also asked for "development of Delaware River supplies as the eventual solution to the State's water needs."

Mr. Test praised the "competence and unbiased handling" accorded the hearings by State Senator William F. Farley. He acknowledged the committee's unrelenting efforts to defeat the existing bills and to support whatever plan

is adopted "as a prudent alternative to the ill-conceived Stony Brook proposal which the facts have shown to be impractical."

### COURT ACTION

**Drunk Driver Fined.** Albert H. Turney Jr., 38, of New Brunswick, was fined \$225 Tuesday and had his license suspended for two years on a charge of driving while under the influence of alcohol. Magistrate Paul R. Chesebro also fined Paul B. Diederich, 21, Snowden Lane, \$55 for allowing an unlicensed driver to operate his car.

In criminal court, Mrs. Peggy McGowan and Mrs. Mary Veronika, both of Clay Street, were fined \$10 each and given probation. They were found guilty of fighting on Clay Street. The cases of the four youths accused of disturbing the peace at 101 Mervin Place, home of Miss Sara Voorhees, was adjourned for a week.

In Trenton, the Department of Law and Public Safety announced the conviction of James J. Conroy, 21, of Williams B. Carlin, 29, 95 Cynder Road, for six months. Ac-

tion was taken following four speeding convictions.

Bernardo Rivera, 44, 132 Birch Avenue, had his license revoked for a year. His record shows convictions for leaving the scene of an accident, driving while inebriated in his possession and two each for driving on a permit without a licensed driver and carless driving.

**Worthless Check Issued.** Jack Landis, 39, of 5446 Morse Street,

Philadelphia, was sent to the Mercer County Workhouse pursuant to an order of the grand jury. Magistrate Louis R. Gerber presided.

Landis, an employee of the Protective Credit Association in Princeton, was charged with having written a check for \$394.29 to the Rug Mart without sufficient funds. The complaint was signed by Clifford H. Leming of Hopewell.

## News Of The THEATRES

### UNIVERSITY PLAYERS

(A Review of "Heartbreak House," by Eugene O'Neill, appears on Page 8 of this week's issue. The comedy is currently playing Saturday evening at Murray Theatre.)

Giraudoux Next. The University Players continue their outstanding summer series with still another "modern classic," Jean Giraudoux's delightful "The Enchanted."

"The Enchanted" will open next Tuesday, July 23, and continue through July 27 at the Murray. Tickets may be reserved by calling Princeton 1-3539 and are priced at \$1.50 Tuesday through Thursday, \$2.25 on Fridays and Saturdays.

The imaginative world of mixed truth and fantasy that marks many other plays, notably "The Madwoman of Chaillot" and "Ondine," forms the fabric of "The Enchanted." The cast will perform the Maurice Valency adaptation which was used for the original Broadway production in 1945. The play was recently performed in New York by the Jean Louis Barrault Company in New York.

"The Enchanted" is a stirring, humorous story of how a girl in love with a ghost seems to set the citizens of a small French town on the road to perfection when fate sends events back into the path that mortals think they should follow.

The part of Isabel, the young girl in love with the other world, will be played by Dora Landey, who has appeared in several off-Broadway productions and was seen recently as Esmeralda, the fortune teller, in "Wildes' 'The Skin of Our Teeth.'" Philip Minor will also be seen in a major role.

The director is Mario Siletti, who staged "Skin of Our Teeth," and some seasons back, "The Madwoman of Chaillot" for the Princeton College Players. Richard Cumming has provided an original musical score. Sets will be by Edward Burbridge and lighting by Michael Stevens.

### MILLER CHAPEL

The Bishop's Company, one of the most extraordinary developments in the American stage is the Bishop's Company which has already become a unusual star at the current Theological Institute which concludes this week at the Seminary.

## IT'S NEW To Us

Space for Play. Re-opened after a refreshing summer vacation, Stuff 'N' Nonsense is once more ready for the serious business of play.

The toy-land at 10 Moore Street offers "Play Spaces" to shore up the wildest imagination. Take several two-foot square pieces of colored masonite, — blue, yellow, red.

Arrange things so that a child can climb over them, sit on them, get in any way he likes. Put a big 16-inch square hole in one, a big round hole in another. Have an off-center hole in a third, a slot, a diamond-shaped opening in a fourth. Leave the rest solid. Write a check for \$20.

As you can see, Play Spaces can be anything you like. Set a picture theater, a cave, a secret tunnel or a playhouse. Just watch out for that piece with the narrow oblong hole. There's a musket pointing right at you.

Those whose older brothers shot them away from the fort may content themselves with some new Holgate dolls. A wooden sewing machine in primary colors has a wheel that you turn with your right hand. It sets in motion a "pedal" which pulls a bright disc around and around. So it doesn't sew? Sew what?

Another Holgate is a many-tentacled cello that comes apart and puts together again. If you're tired of that, you can pull the string that makes a ten-inch wooden rabbit wiggle his ears, nod his head and move his arms;

Hand puppets haven't lost their magic in thousands of years. We recommend the Japanese dragon made of rubber with sharp fangs, teeth and wild eyes. By working your knuckles carefully you can make his eyes roll, and by gnarling your fingers you can make him snarl. No smoke and fire, but what expression!

A real sock has been used to make a slick \$1 Indian-maiden puppet that is small enough for little hands to work. There's a new white poodle, AKC registered, in the conventional puppy style.

As though we hadn't had enough with 7-inch dolls, there are now 10½ inch cuties, with wigs, makeup, furniture and a Dior wardrobe. The babies we saw on the Staff shelf all were grown up indeed, with girdles, built-in earrings, and such finery as black lace bra, panty and peignoir. The lace bra and panties were well made, and a young girl may be especially interested in the small blanched chest which can serve as a jewel-box when after dolls are for bed-time sister.

Stuff round-up: trays of canapes (caviar, no less), petits fours or exotic cheeses in minute doll-house size . . . wooden overnight cases . . . wooden boxes covered with "alligator" \$2 . . . a covered "souvenir" ball in heavy paravyn plastic, to toss at the beach.

Spun Silk. The handsomest dress you'll wear this winter — and many years to come — will

## Heroine — By Steig

Stig belongs on ashtrays, somehow, or in last week's issue of "The New Yorker". The last place we ever expected to find him is on the shelves of a shop selling nonsense, but that's where he is.

"Poor Pitiful Pearl" is a Steig heroine made into a short about 20 inches high. She has a pale, rather wan face, long, impossible straight hair, a patched dress and webbed, black shoes and socks. With her comes a book that she has written and is eager to admire herself! The book is full of Steig drawings showing how to dress up Pearl to impress her public. There are directions for dressing her, rooted hair in pony-tails, pig-tails, buns and bee-ribbons. There's a separate box with shiny nylon party dress and white slippers and socks and before you know it, Cinderella is a princess.

be the pure silk dress knit from French yarns imported by the Kresser Company, Tulane Street, sounds familiar, but actually its one-piece skins won't cost much more than blouse.

There are 12 colors to choose from and several patterns, all of them one- and two-piece classics that will be good for many years; for example a sheath or a sheath with its own jacket.

Another yarn called Fantasy Ribbon, is a combination of silk and rayon, about 3/16 inch wide. It comes in 12 colors, too, mostly greys, beige, blues, pastels and —Continued on Page 14

The Clothes Line

B. Shaw vein which will probably prove richer nightly as the week moves on at Murray Theatre.

These ten Players doing the show are as capable as the group has ever assembled and they have the feel of the play. However, the show did not reach their execution both on a large scale and in the matter of line by line. Unevenness as a group strongly affected Tuesday's opening night.

"Heartbreak House" is extraordinarily contrast as a statement of causes, reasons and theories of disasters we choose to call modern. The issues of imminent death, sex, alcoholism, revenge, sick materialism, etc. are written about in a way which is inescapably classic, though you might favor "Samson and Delilah" or two other Shaw plays as better expressions of the vibrant force within the creative individual. "Heartbreak" is also very funny.

Anyway, you can decide all this for yourself when you see the extremely good production provided the company will keep working at the lovely expression available. Granted that the Players are talented enough to need the talents of a director, they should, however, try to see that fewer lines are lost in a sea of negligence.

Lolis Berry overcame early nervousness to make an appealing portrayal of Elle Dunn, the lovely inheritor of the life force who knows enough finally to love wisely. Her dramatic acts were generally very strong.

Donald Moffat as dear Captain Shattover successfully created the character of a man who is wise and some wisdom, a staggering task proffered by the playwright for any young company. Mr. Moffat's warmth really came through.

Perry Allison also began to take command after a while, but there was a touch of vagueness about his characterization which this writer has never sensed before. She played the extraordinarily sensitive Hesione Husseyne. Mrs. Allison, as the "soldier of freedom" Margaret, and also harmed by an unwanted generosity in their presentation.

The director, Phil Minor, managed to offer the gem of opening night with a delicious portrayal of Mangano, the canary. Among the technical advantages he had certain gestures and above all the habits of mind in wonderful shape. Joyce Hines again contributed outstanding minor flute playing with authority and flavor.

Marie Sletti made a good if somewhat bouncy performance as the belated, bumptious, Hector. On the other hand, Elizabeth James appeared to have trouble with her third act and thereby weakened her equestrienne Lady Utterwood, for which her physical sense was strong.

The critical remarks above are roughly based on the belief that the talented a company can do still better than it did opening night. Shaw has earned more. Still, the presentation is only on the level which his words capture the audience. Hence it's no surprise that the technical effects were hardly remarkable. Some day, though, this 1957 cast can make "Heartbreak House" a great deal more wonderful than it did before Tuesday's reasonably good sized and intended audience.

THE GREAT ATLANTIC & PACIFIC TEA COMPANY

**Lion City Identified.** An archeological investigation from Sicily has completed the three-year phase of its work in Sicily with the announcement that it has identified a "mystery city." For centuries the location of the ancient metropolis had been known to students of classical lore but they were uninformulated by the fact that no trace of it could be found and by lack of reason for its apparent disappearance from the face of the earth.

Two summers ago, digging was started in some fields in Sicily by a ten-man team from Princeton University headed by Prof. Erik Sjöstrand, an excavator who continued last year under another group directed by Professor Richard Stilwell, but it was not until this month that the mystery was finally solved.

The conclusion revealed by Prof. Sjöstrand is that the city was "Morgantina." His inference is based on the fact that the findings of his mission coincide step by step with descriptive material written by the Greeks and Roman authors, including Thucydides, Siculus and Livy. The geographical location of the city is also identical.

Another factor in solving the puzzle was the discovery of some 400 coins, all of which bore the name "Hispae" and which were identifiable as belonging to the second century B.C. "Hispae" is Latin for "the Spanish," and the coins thus bore out the name of Sicily. The legend that the city was given to the Roman mercenaries after the Romans had conquered it in 211 B.C.

The people of Morgantina committed the error in judgment of siding with Carthage in the Punic Wars, and after the Romans had

prevailed in that series of conflicts, they turned the city over to the Spaniards. It was, in effect, a reward for the treachery of the Sicilians to Rome of the last defenses of Syracuse.

The story of the city's fall has prevailed through the centuries, however. Morgantina further disappeared through fire, flood, earthquake or man-made holocaust. Sicily's most terrible disaster was dictated by economic and social changes which resulted in its displacement of the culture of vast estates becoming popular in Sicily some 50 to 100 years before the birth of Christ. A Greek geographer, Strabo, wrote about 23 B.C. that "Morgantina was a great city and does not now exist."

POST 76 CEREMONY  
Legion to Install Officers. At a

special outdoor ceremony next

Wednesday, American Legion Post 76 will install its 1957-58 officers. The meeting will be held at the post's headquarters, 85 Nassau Street.

The new officers are Robert C. Schmidt, post commander; Eric H. Schmid, vice-commander; Norman R. Fink, vice-commander; Elmer B. Greys, adjutant; Fred Klim, finance; John H. Smith, sergeant-at-arms; Samuel J. Davidson, historian; Rev. Guy Beninger, chaplain; John M. McCarty, judge advocate; and Henry J. Frank, service.

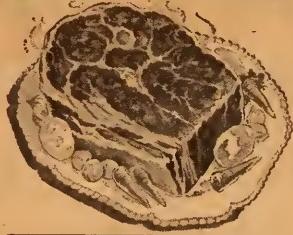

Following the induction ceremony, refreshments will be served. All legionnaires and their guests are invited.

The post has named its delegation to state, county and national conventions. Appointed were Ernest F. Drake, Norman R. Fowler, Henry J. Frank, Eric H. Schmid, Robert C. Schmidt.

### Industrial Contributions?

To the Editor of Town Topics:  
We are sending the following  
letter to the Princeton Township  
Committee:

Your explanatory letter accom-  
panying the recent tax statement  
was clear if not somewhat vague.  
Your position is that "the exercise of  
control" over 19 per cent of the total  
budget; ours is to pay the  
tax on 100 per cent of the budget.  
It is doubtful if Princeton can re-  
main in the community to  
live in as far as you say taxes are  
to continue to rise.

Is there not at least a mutual  
sense to take advantage in the  
industries outside our taxable  
areas whose employees live in and  
get the benefits of this commu-  
nity? It is our understanding that  
successful negotiations have been  
conducted along this line in other  
communities.

Such a situation cannot of  
course be forced by Princeton but  
there might, in view of the bene-  
fits derived by their employees  
and the company itself from loca-  
tion close to this choice residential  
and educational center, be  
willing and indeed duty to con-  
tribute to the maintenance of the  
privileges they enjoy.

We agree with the best mo-  
rals of Princetonians that our  
schools should continue their high  
standard and that we should re-  
main a residential community.  
This will cost us more in maintaining  
them, but the relatively low sal-  
aries derived from academic and  
other pursuits are forced out of  
Princeton by taxes which higher  
paid industrial employees can af-  
ford. The general public will be  
forced to bear the higher taxes  
which will be completely lost to a  
large portion of our present resi-  
dents.

The concept of industrial con-  
tributions is only one suggestion.  
Perhaps there are others.  
We would like to know if the  
Township has a regular committee  
exploring the possibilities of broad-  
ening the base or sharing the  
burden among all who benefit by  
proximity to Princeton. If this is  
not the case, the Township Com-  
mittee might do well to institute  
one.

GORDON B. TURNER  
JEAN S. TURNER  
564 Mercer Road

What a Success!  
To the Editor of Town Topics:

Over 300 teen-agers were in-  
volved in the first Canteen Dance  
of the summer last weekend,  
and both hosts and invitee alike  
were successful that another was  
planned for this Saturday!

To those of you who are adults  
and think this is a good idea but  
would like to know what it costs  
me little, let me now stress  
that this means a great deal to us,  
the teenagers. Having con-  
ducted numerous past entertain-  
ments up here and there, we felt  
wonderful until it rained! Every-  
one scattered to his car and those  
who didn't cars borrowed someone  
else's. An old neighbor's car  
was home to the dance in a  
rainless jeep.

After the rain, a third of the  
couple was becoming a bare-  
foot and shoeless mess in mucky  
cookies. The only way to get them  
to leave in order to close up was  
to play the traditional "Good  
Night, Sweetheart" and that did it.

We the students want to extend  
our thanks to the adults who  
were so willing to help us out,  
and several adults have extended  
the thanks to us. You can see the  
cooperation it takes.

And now the canteen is an-  
nounced for the Saturday night  
behind Princeton High School.  
In case of rain the dance will be  
cancelled. Any adults who are  
still dubious are invited and en-  
couraged to look it during the  
evening.

JANIE BACHELDER,  
Publicity Chairman  
47 Cedar Lane

MORE ADVERTISERS use Town

### Tonics Of The Town

Continued from Page 9

Nathaniel McKee, and H. A. Robertson. Alternates were W. J. Birch, John Gallagher, Elmer Greey Jr., Fred Klink, Theodore P. Maple, James Whitlow and D. Don Richards.

A large number of members have made plans to attend the National Convention at Atlantic City, September 14 to 19. The next regular post meeting will be on August 28 at 8 p.m.

**NURSING HOME READY**  
Merrwick to Open August 1. Merrick, a new home without parlor in New Jersey, opens its doors on August 1. The Elsie Proctor Matthews Unit of Princeton Hospital, Merrwick is located at 72 Nassau Street. A two-story wing has been added to an old gabled house to accommodate 42 guests. (See picture, page 11.)

The unit has been specifically designed for geriatric and chronically ill patients. Geriatric patients are those whose old age makes necessary permanent nursing supervision. Guests at Mer-

wick will be able to take advantage of a setting of nine beautifully landscaped acres.

Proceeding the formal opening of the home, an Open House will be held this Saturday and Sunday from 12 noon to 4 p.m. The public is invited.

A staff of 21 will be assigned to Merrick, according to John W. Keuffelman, the hospital's administrator. The staff will include a general practice resident doctor, a staff physician, five registered nurses, 11 auxiliaries, nursing personnel and an occupational therapist.

Mr. Keuffelman said the total cost of renovation of the home was \$350,000. Of this amount \$6,300 came from the Ford Foundation grant, \$1,000 from the Hillcrest Foundation, \$1,000 made available through the U. S. Public Health Service Program, and \$100,000 came in contributions from other sources.

**"Ambassadors" Named.** Three Princetonians, together with some 78 other leading industrialists and educators in New Jersey, have been appointed by Governor Robert M. Meyner as "economic ambassadors." They are: Leonard C. Johnson Jr. of Overbrook Drive; James M. Green of Province Line Road; and Lee Bristol, Jr., 6 Olden Lane.

They were appointed last week at a luncheon meeting at the Princeton Inn. At the time, the Governor asked the "ambassadors" to encourage desirable industry to locate in New Jersey, commenting that it would be better for a group of leaders in a particular field carry the strongest impact and leave the most lasting impression.

A survey has disclosed that New Jersey is undergoing the most pronounced industrial development in its history. Between now and 1960, an estimated \$1,000,000,000 will be spent by about \$600 concerns for capital improvements or new plants in the state. Exports, however, actually will probably far exceed the figure, and many of the concerns asked in the survey declined to disclose the extent of their capital spending.

Holmes Promoted at RCA. David D. Holmes of 48 Doremus Avenue has been named manager of the Radio Research Laboratory of David Sarnoff, Director. RCA's General Manager made the announcement this week.

Mr. Holmes, who joined the David Sarnoff Research Center of RCA about seven years ago, will be succeeded in the future at Rocky Point, Long Island. He is the recipient of two RCA achievement awards for technical work

### All But the Tune

Princetonians may have been pleased Saturday evening by a towline flying plane carrying a tootling band that yearns in huge letters, "Happy Birthday, Bob." The plane and itsourage were hired by friends of Robert B. Holmes, 77 Stanworth Drive, a manager of the Central Prospect Street eating club and master bridge player. The secretary worked Mr. Bennett's 50th birthday well in for a gathering at a party at the Green Road providing the vocal effects to go with the congratulatory streamer.

in his field and holds membership in the Princeton Radio Engineers and Sigma Nu.

The holder of degrees in electrical engineering from the University of Maine and Massachusetts Institute of Technology, Mr. Holmes came here after two years of teaching at the University of Nebraska. He has been active in Princeton as chairman of the Princeton and Mercer County Young Republican Clubs.

**Alger to Aid Rider.** Ross Alger, acting in the past in Princeton business with his father, the president of nearby Griggstown, he has been named executive secretary of the Rider College Development Program. At the time of his appointment, he was already a member of the college administration, serving as assistant to Harold M. Davis, his predecessor in this new post.

Mr. Alger will direct Rider's fund-raising program, planned to generate \$100,000 in expense involved in transferring the campus to Lawrenceville. A graduate of Westminster Choir College, he is a former director of Princeton's Senior Class and held a similar position in the community of Houlton. Mr. Alger has been heard widely in this area as a speaker with various church and musical organizations.

**PORTRAIT OF THE ARTIST TAKING PORTRAIT:** Orren Jack Turner in the earliest days of his career. He is photographing his first model, a "Miss Williams," now deceased. He was forced to use his model because Princeton ladies in those days would not let their pictures be hung for display in his window. (Turner's studio is still there, though he has moved to New York City. He has some of the equipment he is shown using. The 1919 print came to light during preparations for the current retrospective exhibition of 40 years' work, now open to the public daily through July 27.

### Topics Of The Town

—Continued from Page 10

#### THE HONORS MEN

Nine Princetonians Listed. Out of the 239 newly-graduated Princeton seniors, 20 received special awards for distinguished academic work; nine were residents of this community. Howard W. Stewart, senior, has completed the listing of those excelled in their departmental studies.

Highest honors, the designation reserved for men doing extraordinary work, were bestowed upon 20 seniors, 19 of whom earned high honors. Double Honors, meaning recognition for distinctive scholarship in a department or study as well as the Special Program in the Humanities, were conferred upon 10 seniors including Michael M. Stewart of Hopewell Valley. He graduated for high honors in both philosophy and the Humanities.

Other honors men from Princeton were: Thomas A. Duckworth, 20 Nassau Avenue, honors in history; Peter A. Lepan, 201 Moore

Street, honors in mathematics; William B. Matther Jr., 29 Linden Lane, high honors in chemistry; Leo G. Mestres, 96 Battle Avenue, honors in physics and geology; Richard K. Orr, 101-A Devonshire Avenue, highest honors in history.

Also Gotthard T. Schaum, Wyndham Cottage, Springfield, honors in literature; Nathaniel B. Smith, 211 Prospect Avenue, honors in engineering; and Richard N. Stillwell, the Great Road, high honors in chemistry.

Princeton Bank Low Bidder. The Princeton Bank and Trust Company has been selected as the successful bidder on July 9 for the Borough Water Authority's Temporary Notes (\$100,000) for a period of one year. Other bidders included the Chemical Corn Exchange Bank and the Bank of America, N. T. and S. A.

The notes relate to an annual bond, which balances owing on the existing Public Works Project located at Clay Street and known as the John F. Hageman Highway. The Princeton Bank and Trust Company and its associated group was at the interest rate of 2.22 per cent per annum plus a premium of .25.

Outing and Target Shoot Set. Princeton's Fire and Ladder Fire Company will plan an outing and target shoot to be held at Souther's Grove on Saturday. Members wishing to shoot are asked to meet there between 10 a.m. and 2 p.m.

A. M. Stewart and R. D. Hullit are co-chairmen of the committee in charge of arrangements. Other members are: J. D. Doss, E. A. Evans, J. L. Briner 3d, J. M. Cooper, Robert Buchanan, S. G. Davison, Alexander Duttle, G. B. Rollings Jr., J. H. Rhubarb, V. N. Sassman, R. H. Schaefer, R. H. Silvester, W. J.

Joose, D. N. Watson and William Toolie.

Chicken Dinner Planned. The annual chicken barbecue dinner given by Young Republicans of Hopewell Valley will be held on Thursday, July 25, at the Titusville Fire House from 6 to 7:30 p.m. William Schuler is general chairman.

Assisting the chairman are John Huddeson, Jack Meyers, Thomas Harris, Patricia Howe, Badine Borden, Mrs. Freda Weisweller, William Ashton, Alexander Rice, James Arrington, Nancy Schuler, Carol Huddeson, Barbara Stetler, Mrs. William Hutchins, Freda Borden, Nancy Meyers, Dorothy Borden and Mrs. Edward Meredith.

Car Inspection Rules. New Jersey Motor Vehicle authorities, in an attempt to clarify confusion on the subject of car inspection rules, have listed the three types of inspection stickers they are currently illegal. Owners of New Jersey registered vehicles which do not bear the proper inspection stickers are subject to a fine. The Division of Motor Vehicles said.

The three types of illegal stickers are:

### It's New To Us

—Continued from Page 7

one red. Several new patterns are ready for this ribbon yarn.

Knitters have been asking about the fashionable old. It certainly isn't new. Irish yarn and the Sybil Connolly, the Irish designer, used with such success last year. This is a natural yarn, unprocessed, with the long, left-hand twist. It is soft and never wears it, and you'll be as warm in winter as an Irish farmer, a fisherman from the Isle of Man or a lady of fashion from the Connolly salon.

Another bulky yarn is a soft, Shetland-type wool in French and English. Len Conroy, who has almost no weight for its bulk and it's made to go with some handsome coat patterns and outdoor sweaters, nine colors.

Sit in the shade this summer

## VACATION MONEY PLAN

### Here's Low Cost Guarantee

#### FOR A CARE-FREE VACATION

To those who want that feeling of being able to meet any reasonable emergency, we make this practical suggestion:

1. Come to our office before your vacation starts and borrow \$100. If you don't spend all of it during your vacation, we'll keep your account open for the EXACT NUMBER OF DAYS you keep the money. If you keep it for 3 weeks the charge will be only \$1.75.
2. If you spend the \$100, we'll give you 2 months to repay it at a monthly payment of \$1.75.

*Here is practical vacation insurance for either:*

*\$1,000.00, or... a monthly payment of \$9.75.*

*These payments include principal, interest and all charges.*

## SPORTS In Princeton

**FOOTBALL OUTLOOK-1**  
This is the first of a series of four articles on Princeton's football prospects for the 1957 season.

Thoughts of Fall. Although the hottest National League pennant race in history will rightly dominate the sports pages for the remainder of the summer, there is still some sense of football poking their way into the tepid July atmosphere. Pre-season estimates of strength and growth are beginning to arrive on sports writers' desks from busy publicists—no doubt with an eye to the ticket application which affects department with more than a year's lead next month.

August also marks the appearance on the newstands of the much-called "football preview," which promises which not only provide a look at the personnel of hundreds of teams throughout the country but also predict the outcome of finish in each league or conference and name the favorite in every game every Saturday. Even the limited practice sessions agreed to by the Princeton Lions and members are only six weeks away, and Princeton's 60-d candidate for the training season at Blairstown were picked before the spring term ended.

**Gaps to Be Filled.** The picture at Princeton insofar as manpower is concerned is one of disappointment, if not somewhat brighter than it was a year ago. When Charlie Caldwell and his staff began the intensely pre-season assembly of manpower, the 1956 problems were focused largely around the absence of experienced players in the backfield. These four starters from the previous season had graduated, and there was virtually no depth anywhere. Line replacements were sought primarily at both ends and at center.

Today, the Tigers have more holdover strength in the backfield than at any time in the Caldwell regime, which parallels the post-war era. Only Bill Danforth from those who formed the regular back-camp contingent has graduated, and he will not be difficult to fill this position from among the reserve and sophomore material available.

The Tigers have been hit a good deal harder up front, and since line play is normally the deciding factor between two even teams, the question of how the upcoming season will hinge in large degree on development of seven regulars and at least one good replacement at each end of the line. Once again, coaches reviewing a tight but losing battle for questionable spots writers will sum up merely what occurred in the first sentence: "They beat us up front."

A year ago, Princeton went to Blairstown with the problem of replacing more than half the linemen of the previous fall. Fifteen out of 29 were missing.

This year, 11 out of 29 have graduated, and, as indicated above, instead of being 75 percent decimated, the backfield is 75 percent intact. That's a big hurdle already cleared.

In the line, however, five of the seven 1956 regulars are gone. In three positions up front (as well as at wingback), the immediate replacement has also graduated,

**HE LEAVES A BIG HOLE:**  
Mike Bowman, 1956 football captain and all-East Guard, is among the lettermen Princeton must replace in bid for this year's Ivy title.

leaving only the players who was leading only the players who was on the depth chart and sophomore strength to fill key roles by the time the whistle blows for the kickoff against Rutgers on September 28.

**Lettermen Lost.** By positions, Princeton loses these 11 lettermen from the 1956 team which placed second in the Ivy League and compiled an unexpectedly good 7-and-2 record: three ends, two guards, two tackles, two centers, two wingbacks, one fullback in the starting line, only the left tackle (senior Bob Cascione) and the right guard (senior Dave Grubh) are on hand again. These are the losses.

**Ends.** For the second year in a row, graduation has peeled away the pick of Calvin Campion and the rest of the bunch to go to Mike Stewart of Westcott Road, a three-year letterman whose all-around ability won him the treasured honor of being a starting right end all last year and a two-year letterman, has departed, as has his reserve Charlie Disbrow who led the team has run in touchdown passes caught in front.

**Line.** Mike Harder and Jim Mayer. Harder was as solid as his 200 pounds breaking into the starting lineup as a sophomore and typifying through his high-reliability, little-known but play the traditional designation of "linebacker." Obviously, a player who was good enough to win a regular job as a sophomore and hold it through covers over a period of three seasons successfully. Continued on Page 16

BROCHURE ON REQUEST

Key losses actually narrow down to four players (Stewart and Kent at the Huddle, a tackle and Bowman at guard) but added to this is the problem of centers, where so little in the way of replacement material is at hand. Even the two-day drills for three weeks at Blairstown are wholly insufficient time to do much to begin to remedy this situation.

Next week's article will take a look at the Class of 1960, the sophomore crop on which much of the success of the 1959 season will depend. Under Mr. Davidson's careful guidance, the young Tigers gave Princeton its first undefeated freshman season since 1938. If it is best in terms of physical and academically sound for another three years, Princeton football will benefit noticeably from their presence.

**Women's Tennis Begins.** Play started Monday in the annual Women's Singles Tennis Tournament. First series. All-seeded Mrs. Jean Wilkins won over Mrs. Betty Scholten, 6-1, 6-2, while Mrs. Alice Tucker, seeded second, defeated Mrs. Jean Fischer, 6-1, 6-2.

In other first-round matches, Mrs. Louise Bachelder won over Melinda Langston, 6-4, 6-2; Miss Linda Brown defeated Mrs. Joan McCall, 6-4, 6-2; Mrs. Barbara Street defeated Mrs. Patricia Langston, 6-4, 6-2; Miss Janice Bachelder won from Miss Robbie Webster, 6-0, 6-1; and Mrs. Margie Frothingham conquered Miss Anne Harrison, 6-6, 6-4.

Other entries are Miss Alice Dodds, Miss Susan Miller, Mrs. Dorothy Glouberman, Mrs. Carl White, Mrs. Lillian Ashley and Miss Virginia Hutton.

—Continued on Page 16

**Guards**—Mike Bowman, 1956 captain whose play was good enough to earn him Earl designation in his final year. An unusually rugged 220-pounder, Bowman played every line position back and during his entire career—mainly in as a center, switching to tackle and finally to guard. Gone, too, will be another of the big boys, 215-lb. Rusty Strohman, last year's principal replacement is the other graduation casualty at tackle.

## Tennis In Princeton

—Continued from Page 15

full football is particularly difficult to replace. Don Mayer, too small to be used as a regular guard but much liked as a reserve for three seasons as a reserve, will also be among the missing.

**Guards**—Mike Bowman, 1956 captain whose play was good enough to earn him Earl designation in his final year. An unusually rugged 220-pounder, Bowman played every line position back and during his entire career—mainly in as a center, switching to tackle and finally to guard. Gone, too, will be another of the big boys, 215-lb. Rusty Strohman, last year's principal replacement is the other graduation casualty at tackle.

**Centers**—Spike Ball, at 180 one of the smallest starting centers on our regular lineups, Princeton and Jack Hunt, the 210-lb. operative with whom he alternated, were both members of the Class of 1957. Their experience has been limited by the present 6 major replacement problem, since only a third-string reserve and an untried sophomore are available. The lack of depth that has given the Tigers considerable trouble for the past few years.

**Backs**—The lack of material for which classes in the mid-50's have been notably paid off in recent years. As they graduated, they took little interest with them and the result is a real bonanza for the 1957 season. Of the deep players who ranked third deep in secondary last fall, only Bill Danforth and Ron Nelson are gone.

Danforth, an enormous six-footer with a high school career in Bill Agnew's shadow until last year, when he averaged 5.3 yards per carry and better than 18 yards on a dozen punt returns. Nelson, a solid reserve who could pass the completed eight of 13 for 130 yards—but contrary to a number of other positions—there is unusually good replacement material at hand for this spot.

## FROM THE GARDEN STATE

### \*Because They Are Cultivated

Hurray! Hurray! It's blueberry picking time! It's time to enjoy New Jersey's bumper crop of flavorful cultivated blueberries.

The fact that the Garden State's blueberries are cultivated rather than wild is because this special cultivation means that New Jersey growers give these berries loving and patient attention. No wonder that this colorful small fruit is so delicious and so popular.

Cultivated blueberries were developed in the Garden State and over five thousand acres bear annual crops of nearly 20 million pints of blueberries.

When buying fruits and vegetables from your favorite greengrocer, chain store or supermarket, ask the man: "Is it Jersey?" Help yourself to the riches of the Garden State.

## Obituaries

**JAMES CALDWELL DR.** St., formerly of Lake Road, Kingston died July 14 at the home of his daughter, Mrs. F. Cameron Arnold in Fort Lauderdale, Fla., with whom he had lived.

A Kingston resident for 32 years, he was the husband of the late Julia E. Caldwell. He was employed in various industries for 30 years and retired in 1951.

Besides his daughter, he is survived by four sisters, one brother, two grandsons, several nieces and nephews. The service will be held from the Kimble Funeral Home at 11 a.m. Thursday morning. Rev. Harry H. Heaps, pastor of the Kingdom Presbyterian Church, officiating. Interment will be in Princeton Cemetery.

**ELMO F. FURY**, 73, of 205 Witherspoon Street, died July 10 in Princeton Hospital. He was born in the Virgin Islands and had been here for the past 15 years, where he was the owner of a television repair service. He formerly lived in Boston.

The funeral of Mrs. Eugenia C. Fury, who is also survived by a daughter, Mrs. Phyllis Sinclair of Princeton; a son, a brother, eight grandchildren and three great-grandchildren.

The service was held at the Kimble Funeral Home with the Rev. Francis Huntington of Trinity Episcopal church officiating. Interment will be at the convenience of the family.

**EDWARD M. MARTIN**, 46, of Hendrickson Road, Lawrenceville, died July 13 in Princeton Hospital after a long illness. A former teacher at the Lawrenceville School, Mr. Martin taught English and History during the past year. He was a graduate of Shady Side Academy in Pittsburgh and of Princeton University.

Husband of Mrs. Ruth F. Martin, he is also survived by two daughters, Julie and Sheila; a son, Edward; a brother and a sister. The services and interment will be under the direction of the Kimble Funeral Home at the family's convenience.

**EDWARD A. OLIVER**, 49, of 142 Witherspoon Street, died July 16 in Princeton Hospital after a long illness. The husband of the late Rita Oliver, he was born in Trenton.

He is survived by his mother and two brothers, including William of Princeton, and several nieces and nephews.

The services will be held Friday at 11 a.m. at the Kimble Funeral Home with the Rev. Benjamin J. Anderson, pastor of the Witherspoon Presbyterian Church, officiating. Burial will be at the convenience of the family.

### CARD OF THANKS

**BAHM**: Mrs. John F. Bahn, many thanks for your sympathy during their recent bereavement and to express their deep appreciation to the members of your personnel who so totally offered their services on several occasions.

### Sports In Princeton

Continued from Page 17

**DRAKE'S TAKES BIG ONE** Nassau Softball Begets 9-8. It took sizeable rallies in the fourth and fifth innings to turn the brick, but Drake's Plumbing & Heating prevailed in the Community Softball League's "crocodile" contest Tuesday. A good game saw the league-leaders preserve their perfect record despite the entry of the runners-up with a 9-6 triumph.

Nassau Social broke away from a tie with a pair in the last of the third as Drake's regained the advantage with a cluster of three in the next round. Five more in the fifth sealed the outcome. Chuck McCready was the victim of a 12-inning stretch.

Bill Berger (of course) was the winning pitcher, limiting NSC to six safeties, of which Jim Kahny collared three. Dave Suplin homered for Drake's biggest blow.

In the tightest game of the week, the Spartans' Club edged the Sparts' 2-1, on a tally scored in the top of the ninth - the second extra frame of the season-long affair. The outcome reversed the exact score of an earlier contest between these two teams as the Spartans made up their winning

margin in Tufto's sixth inning bunt and an error by the losers in the ninth.

Other games this week saw Princeton's whip the Nassau Club 8-2, a steady attack producing runs in five of the seven innings; and Frazee's outfit Applied Science, 8-6. In the latter contest, the visitors were good for ten hits while ASCOP contributing four errors.

In the girls' league, Thorne's Bunnies continued to dominate play with two league victories, a third scored at the expense of a Trenton team. The Bunnies got by the Yankees, 6-5, when Bea Baker was the hero in the last inning to score Annie Grief with the deciding run.

Thorne's wallowed Applied Science, 16-1, scoring in every inning to run away with the game. Doris Pieroni was again 4 for 4 and Doris Pieroni was 2 for the distance and Doris Pieroni was 4 for 4. In

Thorne's defeated the Eagles of Hamilton Township, 7-3, Bea Baker winning another on the strength of a 17-hit attack. Doris Pieroni was again 4 for 4 and Doris Pieroni was two fine outfield catches.

In the other league game last week, the Yankees outslugged Bell Telephone, 11-7. Carol Cunningham earned the victory over Greta Morris. The visitors, off to 10-0 lead, were aided defensively by a fine catch credited to Marilyn Lowe.

**PAC Wins Another.** Under the guidance of Edith Chapman, the Princeton Junction reorganized this week in time to meet the Princeton Athletic Club Tuesday in the Tri-County Baseball League. The PAC won the time in wrapping up a 15-1 decision. Bob Galick and Jim Lewis each collecting two for four to pace the attack.

Pete Chapman scored the loss on the only occasion when he led off in the first with a triple and stole home. Ivan Riddick blanked the losers thereafter.

**Mrs. Whelan Co-Medalist.** A three-year-old Tri-County co-medalist honors this week for Mrs. Betty Whelan of the Springfield Golf Club in the annual Garden State Club Women's Golf Tournament.

Playing on the Mountain Ridge course, Mrs. Whelan, along with McWhain was one of three public players to break 80. Mr. James Warga of Springfield was also among the 16 qualifiers for match play with an 86.

### Topics Of The Town

**Appointed Department Chairman.** After serving only one year on the University faculty, Prof. Robert Drake has been named Chairman of the Department of Mechanical Engineering. The 36-year-old scientist was associated with the Aircraft Gas Turbine Division of the General Electric Company before he came to Princeton as Professor of Mechanical Engineering.

A 1942 graduate of the University, Prof. Drake has served with the Army Air Corps in World War II and late earned his M.S. and Ph.D. degrees at the University of California. He taught at Stanford from 1947 to 1955 as an instructor, assistant professor and associate professor. Dr. Drake is a former chairman of the Technical Committee on Aircraft Heat Transfer of the American Society of Mechanical Engineers.

**Birth List.** Seventeen children were born in Princeton Hospital last week. Twelve of the new arrivals were girls.

Daughters were born to Mr. and Mrs. John L. Bowe of Monmouth Junction; Mr. and Mrs. Leonard F. Sejnozki, Heathcot Road, Kingston; Mr. and Mrs. Thomas E. Foughman, 6 Spruce Lane; Mr. and Mrs. William Angoff, 272 Hamilton Avenue; Mr. and Mrs. William Rodewell, 14 Chestnut Street; Mr. and Mrs. James E. Lewis Jr., 238 Mount Laurel Road; Mr. and Mrs. Nicholas J. Geoghegan, 273 Hanover Avenue; Mr. and Mrs. S. Leary Jr., 231 Witherspoon Street; Mr. and Mrs. Konrad Schaum, Wyman Cottage, Springfield Road; and Mr. and Mrs.

Norman W. Miller, Dutchtown Road, Bledsoe.

Parents of some are Mr. and Mrs. James C. and Mrs. D. C. Craney; Mr. and Mrs. Charles M. Jones, 25 Horner Lane; and Mr. and Mrs. Bruce Bedford, Jr., 39 Red Hill Road.

**Roof Top Dance Planned.** The YWCA's International Club is sponsoring a Mid-Summer's Eve Dance at the Bamberger Room at the Princeton Shopping Center on Thursday, July 25 from 9 till 12 P.M. Music will be provided by Walt Wengry and his orchestra.

The committee in charge of arrangements includes Mrs. Adelaidine Chene, Miss Doris McBride, Miss Dorothy Germon, Miss Elizabeth and Mrs. John Smith. In case of rain, the dance will be held at the "Y" building on the corner of Green and Witherspoon Streets.

**Heads Alumnae Group.** Mrs. E. Baldwin Smith of 211 Prospect Avenue has been elected to succeed Mrs. J. Elbert Biddle as president of Philadelphia chapter of the National Alumnae Association of Bryn Mawr College. She was named for a three-year term. Mrs. Smith is a former trustee of Miss Fine's School and has

been active in community affairs. Her late husband, Prof. E. Baldwin Smith, was Chairman of the Department of Art and Archaeology at Princeton University.

**Starlight Dance Planned.** A "Starlight" dance is planned to be held Friday at 8:30 p.m. on the roof of Bamberger's department store. Miss Effie Daiker is chairman of the dance which is sponsored by the town council.

All members are urged to attend the dance. Young adults in the area are invited to attend and refreshments will be served.

**Water Safety Demonstration.** Instruction in water safety and artificial respiration will be given on Thursday at 8:30 p.m. in the Nassau Tavern. Ralph Papa of the YMCA will give the demonstration. The program is sponsored by the Princeton Business Association in the public interest. It is open to all, particularly parents, without charge.

### PLAYGROUND NEWS

**Many Activities.** The varied programs are continuing now during the summer of children throughout the Borough and the Township. Activities include softball, horseshoes, ping pong, story reading, games and hikes.

At the new Littlebrook playground, feature events last week included a doll contest, Penny Wilkinson, Home Economics teacher, from Bismarck admitted the prettiest dolls. The winner of the "funniest doll" division was Elizabeth Doherty; second place went to Penny Wilkinson placing second and third, Carol Cohen had the largest doll, while Emily Speigal and Kathryn Meyers were runners up.

One of the interesting projects at the high school playground was the masking of plywood checker boards and checkers. Boards were made by Mrs. John and Jimmy Wheeler and Ronnie Livingstone. A sand building contest held at Harrison Park resulted in first place for Penny Wilkinson. Second place winners were awarded to Aleta Anderson, Elizabeth Margosches, Jaye Konover, Andy and Marta Raubitschek.

At the high school playground, Jimmy Barber won a bike race. He was closely followed by Teddy Morrow, Travis Webster and Larry Williams. A bicycle contest was won by Edwin Williams, while Daisy Lockhart was victorious in a "Crazy Hat" contest. After a great deal of effort, Linda Williams placed first in a bubble gum contest, as Richard Lockhart and Brenda Butler finished second and third.

Activities at Marquand Park included a drawing contest based on a patriotic story told by Mrs. Dean Meyer. Ribbons were awarded to winners whose pictures illustrated the most details in the story. Winners included George Hazen, Amy Leverenz, Dan Hill, George Crane, Jaye Barber, Peter Starbuck, and Russell Leverenz.

A vehicle decoration contest in which bicycles, toy fire engines and baby buggies were decorated and painted, was held. Ribbons for Elinda Turnbull, Robbie McCarthy, Mary Woodbridge, Amy and Russell Leverenz, Ann Goeke and Debbie Hobler.

## Four Busloads For Graham

A fourth busload of parishioners of the Kingston Presbyterian Church has signed up to take the Rev. Bill Graham to the Yankee Stadium this Saturday. Three busloads of Kingston residents have already signed up for the Rev. Mr. Graham at Madison Square Garden during his current crusade in New York City.

The chartered bus will leave Kingston at 8:30 a.m. in order to arrive in New York at 1 p.m. The group will eat snack suppers on the bus and stop for refreshments on the Turnpike enroute to the stadium.

A total of 175 members of this church and their guests will have taken part in the trip to New York according to the pastor, the Rev. Henry W. Heaps. One busload was made up entirely of young people. "All in all the trips have been 'all aboard' and successful," he feels.

Sunday, 8 a.m. Holy Communion; 8:15 a.m. Family Eucharist; 11 a.m. Holy Communion and sermon, the Rev. Richard K. Tonner.

Trinity at Rocky Hill, Sunday, 11 a.m., morning prayer, the Rev. Robert N. Smyth.

**Society of Friends.** Quaker Road off Mercer, Sunday, 11 a.m., worship meeting.

see our volunteer story tellers at our various fairs and bazaars. See Susan Bennett, Miss Phyllis Ellinger, Mrs. Dean W. Chide, Miss Nancy Coryell, Mrs. Henry Frank, Miss Louise Kinsella, Mrs. Dorothy Meyerson, Miss Grace Turner, Miss Barbara Quarles, Mrs. Paul Rappaport, Mrs. Kenneth Ritchie, Mrs. Jane Steinlein, Mrs. Howard Steiner, Mrs. Diane Terry and Mrs. Alma Field.

Another Playgrounds Committee activity in which volunteers serve is the Community Junior Baseball League. Acting in the league and coaches are: Thomas W. Colkins, E. Lance Marshall, Robert Smink, Simeon Moss, James Brown, Paul Cuomo and Vincent Petillo.

To Measure Turnpike Speed A new computer to measure vehicle speeds and traffic densities will soon be installed on the New Jersey Turnpike. The device, a newly developed electronic computer, will be portable, permitting its transfer and use to various areas of the Turnpike.

It consists of detectors and computers to record traffic movements and milliseconds simultaneously. It is an improvement over older methods which were difficult to handle, required cables across lanes, and would not permit computations on single lanes.

The sensing instruments will be fastened to overhead bridge cranes and when they detect will be fed into telephone wires and transmitted to the Turnpike Authority's administration building in New Brunswick. There it will be recorded graphically and numerically.

**State Troopers Exam.** Written examinations of applicants for New Jersey State Troopers will be held on August 9 at 7:30 p.m. at the Office of the Attorney at Eggars Cross Roads, Lawrenceville. No application is necessary prior to the written examination. Application must be at least 22 years old and not more than 35 years old. Height must be at least 5'6" and not more than 6'4"; weight between 150 and 225 lbs. The applicant must also be in good physical condition, have good reputations and be of sound moral character.

The results of the passing mark in the written test will be notified when to appear for medical and information may be obtained at the nearest State Police barracks.

**Coast Guard Openings.** Numerous vacancies exist in the U.S. Coast Guard and the recruitment office at the New Jersey port of entry in Trenton points out that a number of programs are open at all times. Enlistment in the Coast Guard fulfills all military obligation.

Young men 17 to 26 can enter 26 fields of technical training under a program of four years duration. Those who may enlist in the two-year active duty program. Basic training is taken at Cape May. Youths 17 to 18% are qualified for the six-month active duty program.

Under the re-enlistment program, former servicemen honorable discharged may return to ranks or advance from seaman apprentice to petty officer first class. To qualify for the officer candidate program the applicant must be a graduate of college. He must then take training at the Coast Guard Academy, New London, for three weeks. This leads to a commission in the coast guard reserve. Three years of service are required.

**MORSTON**, off sedate Morston St., Princeton, N.J. This 20-room Georgian-style home, built by Richard Stockton, New Jersey's first executive mansion since the Civil War. Home of Governor and Mrs. Robert B. Meyner. The name Morston is from the Celtic and means ridge of mountains.

Distinguished Address

## Briarcliffe

**in HOPEWELL TOWNSHIP**  
This colony of contemporary homes is just a short distance from Princeton. They are distinguished in architectural design, extensive and luxurious in the spaces they offer. Nothing has been spared to create homes on 1/2- to 1/4-acre sites fitting for this time-honored area. Harry Massey, A.I.A., is the architect.

**DO-IT-YOURSELF**  
DECORATORS DREAM  
for \$2,000

This two-story white brick and clapboard has much as it stands for a small family: living room with fireplace, dining room, 3 bedrooms, 1 1/2 baths, full cellar, small but pretty protected lot, nice neighborhood, accessibility. What it needs can be given with paint, brush, lime and energy. Of course, a professional painter can always do the job if you prefer, and in our opinion it would still be a good buy.

**TWO-LINE TEASERS\*\***

19th Cent. frame, 4 b.r., 2 f.p., 1/2 acre, trees ..... \$16,000

Small house, neat and pretty. Inside and out, near shops, \$16,000.

Two story, Borough, 3 good b.r., d.p., screen porch, pool, \$29,500.

5 b.r., close to town, especially attractive, fine basement, \$45,000.

Business buy, 75 Nassau St., 300' deep, 3 story, exc. cond., \$10,000.

Township lots with country atmosphere, sewer, water, .... \$8500 up.

\*\*Call for more information

**ESSENTIALS AND EXTRAS**  
for \$32,500

Tender and loving care in planning, building and upkeep make this almost new stone and clapboard ranch house a bargain. Living room with fireplace, paneled dining room, 3 bedrooms, fine kitchen, double bath, huge basement ready for anything, all are highlighted by extras like Thermopane picture windows, laundry chute, master light switch in bedroom, and roughed-in air conditioning. All this and one acre of near-schools Township land!

MAKE YOUR HOME MORE LIVABLE WITH

BURNHAM Cast-Iron  
BASE-RAY!

base-ray\*

floors FLOORS AND  
WALLS WITH CLEAN  
EVEN Radiant HEAT

The cozy, clean, draft-free warmth from BASE-RAY Radiant Baseboards is the easiest floor-to-ceiling heat known. And solid, dent-proof cast-iron construction gives true radiant heat plus lifetime service.  
\*Reg. U.S. Pat. Off.

ADVANTAGES OVER STEEL OR  
COPPER BASEBOARD:

- With BURNHAM Base-ray's Cast-Iron you get radiant heat—with copper or steel units you get warm air.
- Cast-Iron BURNHAM Radiant Heat means warm floors and walls—only 2° or 3° temperature difference between floor and ceiling. Because warm air rises units primarily heating the air cannot provide such even temperatures.
- BURNHAM Base-ray is only 7" high, looks natural in your living room. Most copper and steel baseboard is 10" high and looks more artificial.
- Cast-Iron BURNHAM Base-ray is sturdy, no fins to break off in later years.
- Cast-Iron BURNHAM Base-ray is a bit more expensive than competitive steel or copper baseboards. But on the overall cost of your whole heating job this difference will be perhaps 2 to 3%.
- Cast-Iron BURNHAM Base-ray will give you steady heat. Because copper heats and cools rapidly, copper baseboard will give you cycles of "Too Hot" and "Too Cool."

NOW AVAILABLE IN BOTH 7" AND 9 1/2" HEIGHTS

WHAT IS RADIANT HEAT?

Ever been out on a warm spring day? The radiant warmth of the sun gives your body that comfortable feeling. Let the sun go down and you suddenly feel chilly. The temperature of the air hasn't changed, but you've lost the radiant heat of the sun. That's what you give up when you install a warm air system instead of a radiant hot water heating system. And cast iron Base-ray provides a maximum of radiant heat. The warm surfaces of the room give off rays which warm your body like the sun.

TO KEEP YOUR FUEL BILL DOWN  
• Scientific sizing of your boiler radiators and piping is available to you through the engineering service we furnish to your dealer!

**REAL ESTATE OFFERINGS**

SPECIALLY RECOMMENDED

PRINCETON

This four bedroom — Princeton Borough — home was  
built when spacious rooms and good construction were  
major considerations. First floor has center hall, a spacious  
living room with fireplace, an adjoining den, a large dining  
room and kitchen. Upper floor has four corner bedrooms,  
all with good storage and bath. Realistically priced.

\$26,500

Other Recommendations to Buy

**PRINCETON**

We feel this five room Cape Cod  
will be an excellent buy for the  
first time buyer. The first floor has  
a sizable living room, large workable  
kitchen, two bedrooms and bath. Upper floor  
has one bedroom and another  
room, unfinished.

\$15,800

**GROVERS MILL**

An attractive, nicely kept,  
contemporary six-room con-  
veniently located home to  
satisfy the most space-  
conscious person. The large  
screened porch and enclosed  
yard offer excellent outdoor  
living and privacy.

\$17,500

**LAWRENCEVILLE**

A nicely designed, most  
quietly located split-level in a  
rural setting. The room ar-  
rangement is good, kitchen is  
large, living room spacious  
and with a fireplace plus  
three bedrooms and one bath,  
bath and bath. \$20,000.

\$26,500
